

Alexandria Gazette.

WEDNESDAY EVENING, JUNE 3, 1903.

LOCAL NEWS.

Sun rises tomorrow at 4:42 a. m. and sets 7:27 p. m. High water at 2:40 a. m. and 3:09 p. m.

WEATHER PROBABILITIES.—For this section fair tonight and Thursday; variable winds.

Persons leaving the city for the summer or for any length of time can have the Gazette mailed to them for ten cents a week.

Building Closed.

The four-story building on the northeast corner of King and Royal streets, is vacant, for the first time since about 1857. Previous to that time one-story and a-half frame houses stood on this spot, in one of which the late Basil Waring conducted the hat business. Caputinal coverings in those days were manufactured here, and when a person wanted a hat he went to a hatter and was measured for one. C. A. Baldwin & Co., who conducted a wholesale shoe business in Alexandria, removed from the foot of Prince street to this building soon after it was erected. They occupied the upper stories and Wither & Co. used the first floor as a dry goods store. During the civil war the second floor was a concert hall, while other portions of the building have been used for printing offices, velocipede schools, &c. At no time, however, up to a few days ago had the first floor been used for any purpose save the dry goods business. It is one of the largest structures in Alexandria and in the heart of the city, and will doubtless be soon utilized for some purpose.

Engaged in a New Role.

There were but two minor cases before Mayor Simpson this morning, and they were soon disposed of when the Police Court adjourned as a tribunal of justice to be transformed into a Bible class by an inquiring policeman, who was anxious to know where Cain obtained a wife as well as the geography of the land of Nod. His honor accommodated himself to his new surroundings with his natural ability to be at home under all conditions, and with some knights of the quill who are allowed extraordinary privileges in and around the judgment seat, entered into an interchange of theological views, both earnest and profound. While the query may not have received an infallible answer, it was generally conceded that there are many things in heaven and earth perplexing to humanity, explanations of which we have no right to expect or demand.

Fined Ten Dollars.

Officers Garvey and Mayhugh last night arrested a well-known colored individual named John Dogan for demanding money of another colored man named Hugh Burke. From the latter's statement it appears that Dogan approached Burke and said he was a railroad detective, at the same time demanding fifty cents. Upon his demand being refused, he asked Burke to pay for drinks. This request was also refused when Dogan became menacing which led to his arrest. The Mayor this morning fined him \$10 and in default of payment he will be sent to the chain gang.

Death of a Young Alexandrian.

Acting Chief of Police Knight received a dispatch from Atlanta, Ga., this morning announcing the death of Forrest H. Harrison, son of George W. Harrison, a carpenter, formerly of this city. No particulars were given and it is not known whether the young man died a natural death or was the victim of a fatal accident. Young Harrison left Alexandria a few weeks ago with an itinerant glassblower. Excuseman Harrison, uncle of the deceased, was informed of the receipt of the dispatch and he took proper measures in connection therewith.

Throwing Balls in the Streets.

People in various parts of the city are loud in their complaints of ball-throwing in the public streets. This is a chronic complaint, and sooner or later some more likely a little child in a carriage, will be seriously injured. The police are endeavoring to break up the practice, but as they cannot be everywhere, parents should take proper measures toward stopping their young ones from continuing the practice in the streets. There are many other places to which they could repair in order to enjoy ball-playing.

Jefferson Davis's Birthday.

The anniversary of the birth of Jefferson Davis was observed in this city today by the closing of the schools. The reception and entertainment tendered the members of Lee Camp of Confederate Veterans by the Seventeenth Virginia Regiment Chapter, United Daughters of the Confederacy, will be held in the new Lee Camp Hall, 806 Prince street, at 8 o'clock. There was no public feature during the day, but the reception tonight will be an interesting affair and it is being anticipated by many who purpose to attend.

Arrested for Vagrancy.

Officers Lyles and Henderson last night arrested a young mulatto woman named Hattie Conway, who was roaming about the streets at an unseemly hour. She was brought before the Mayor this morning but made no explanation of her conduct and was fined \$5. Should she fail to pay the assessment she will be sent to the work house. The girl was neatly dressed and would have no difficulty in obtaining employment if her inclinations are not wayward.

Another Railroad Accident.

Several Southern Railway freight cars were thrown from the track at Manassas last night. Fortunately no one was injured. A wrecking train was dispatched from this city and the track was cleared as soon as possible. There was but a slight delay in the running of the trains.

Shipyard Notes.

The punyboat Zephyr is at the shipyard undergoing repairs. A large scow belonging to Mr. E. G. Gummel, of Washington, is also at the shipyard for the purpose of receiving certain repairs.

Severely Beaten.

Mr. Thomas Grigg, a well-known bricklayer, was seriously beaten in the northeastern part of the city last night. It is not known whether the assailants were white or black or whether robbery was the motive.

Personal.

Among those who attended the Assembly dance in Leesburg last night, were the Misses Emily Elliott, Janet and Florio Davidson, and Messrs. Fred Moss, Mahlon Jauney and Arthur Snell of this city.

Rev. Berryman Green and family, of Seminary Hill, will spend the months of July and August in New England.

Miss Kate Mason Rowland will spend the summer in Warrenton.

Mrs. G. H. Evans and Miss Myra Civalier who have been quite ill with typhoid fever are recovering.

Miss Sue Lee Posey is recovering from an attack of typhoid fever.

Among those who will take the degree of Bachelor of Laws at the National University Law School, in Washington, on Friday, will be Mr. Wm. G. Chapman, of this city.

Closed for the Summer.

The mission Sunday school of the Second Presbyterian Church closed yesterday evening for the summer. The scholars gathered in the First Presbyterian Church where they were received by their teachers. A generous supply of reasonable refreshments had been procured, and both young and old enjoyed the exercises and the feast.

Y. M. S. L.

There was a well-attended and interesting meeting of the Young Men's Sodality Lyceum last night. Six new members were elected. Arrangements were made for the excursion to Marshall Hall next Tuesday. The Lyceum excursions have for a long time been among the pleasant features of the summer season.

Gave Up Contract.

J. Allen and W. Baggett, contractors for the brickwork on south Royal street sewer, today became tired and dissatisfied with the work, and gave up the contract. City Engineer Dunn, it is said, will employ bricklayers to complete the work.

Entertainment and Festival.

The entertainment and festival last evening, in Meem Hall, West End, for the benefit of St. John's Church was a success. By special request the pupils of West End public school will repeat the entertainment tonight.

Divorce.

In the Corporation Court today, in the case of Leo S. Kirby vs. Mary W. Kirby, a decree was entered granting plaintiff an absolute divorce from his wife. The latter is now living in Phoenix.

Kindergarten.

The regular monthly meeting of the Free Kindergarten Association was held on Tuesday, June 2. Miss Janet Fawcett was elected kindergarten for the coming year. Miss Fawcett contributed over twenty of her exquisite sketches in oil, which are to be sold for the benefit of the kindergarten. The directors of the association gratefully acknowledge the following receipts: Mrs. Purvis, \$1.00; Miss Ashby, \$1.00; from Mrs. Arlington, \$1.00; from Mrs. Welch, \$1.00; from Miss Nettie Fawcett, \$1.00; from Mr. and Mrs. Walter Roberts, \$2.00; from a friend, \$5.00; \$5.00 was also sent them "in memory of a birthday." These contributions were most acceptable just at this time as the funds in the treasury are insufficient to meet the expenses of the year which is just completed.

A member of the G. A. His Last Hope Realized.

[From the Sentinel, Gebo, Mont.]

In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by Richard Gibson.

MEDICINAL.

ALL WRONG.

The Mistake is Made by Many Alexandria Citizens.

Don't mistake the cause of backache. To be cured you must know the cause. It is wrong to imagine relief is cure. Backache is kidney ache. You must cure the kidneys. An Alexandria resident tells you how this can be done.

A well known resident of Duke street says: "I went to E. S. Leadbeater & Son's drug store for Doan's Kidney Pills and used them for a persistent aching pain across the small of the back which was accompanied with dizziness which greatly distressed me at times. This condition had existed for several months and each succeeding attack was of longer duration and more acute than the predecessor; in fact just before I used Doan's Kidney Pills I was hardly able to get around and it was only with the greatest difficulty I could stoop or if I managed to stoop after stooping it was just as hard to regain an erect position. The results I obtained from the use of Doan's Kidney Pills warrants me in very enthusiastically recommending that preparation."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name Doan's and take no other.
